CURRENT POSITIONS

Director. The Institute for Applied Psychometrics (IAP). IAP_{llc} is a private research organization, founded by Kevin McGrew in 1998, devoted to the application of educational, psychological, measurement and statistical procedures to issues and problems in psychology, education, and human exceptionalities/disabilities. The goal of IAP is to provide a bridge between psychological, measurement, and statistical theory/methods and applied practice in psychology and education. IAP has particular research interests in: (a) theories and measurement of human intelligence, personal competence and adaptive behavior, (b) the application of psychological and educational measurement principles and techniques to the development and interpretation of psychological and educational assessment instruments, (c) the Cattell-Horn-Carroll (CHC) theory of cognitive abilities, (d) narrowing the theory-practice gap in educational and psychological assessment, (e) the influence of non-cognitive (conative) characteristics on learning and human performance, (f) psychological assessment practices in the identification and classification of individuals with intellectual and learning disabilities and other exceptionalities, (g) the application of emerging neurotechnologies to learning and cognitive performance, and (h) psychometric issues related to the identification of individuals with intellectual disabilities in *Atkins* intellectual disability (ID) death penalty cases. The *practical* application of *psychometrics* to educational, psychological, and legal problems is a unique focus of IAP (1998 to present). Additional information can be available at www.themindhubs.com.

Adjunct Research Professor. University of Minnesota, Institute on Community Integration. Primary ICI-related interests are applied psychometrics and research on models of personal competence, adaptive behavior, non-cognitive variables related to learning, and theories and measurement of human intelligence (2019 to 2024).

Visiting Lecturer. University of Minnesota, Educational Psychology. A Visiting Lecturer and doctoral student advisor in the School Psychology graduate program (Sept. 2000 to 2019). Measurement consultant to various federal grants run by the National Center of Educational Outcomes (NCEO) and Institute on Community Integration (ICI).

Applied Psychometric Consultant/Expert Witness. A consulting expert, via declarations or testimony, to the courts about the measurement of intelligence and psychometric issues relevant to intellectual assessment in *Atkins* (*Atkins v Virginia*, 2001) death penalty cases (capital punishment cases involving individuals with intellectual disabilities) (2009-2022).

EDUCATION

University of Minnesota. Ph.D. *Educational Psychology* (1989)

Moorhead State University. BA (cum laude) *Psychology* (1974); MS.Ed. *School Psychology* (1975)

UNIVERSITY EXPERIENCE

University of Minnesota. *Research Professor (adjunct)* with the Institute on Community Integration (2019 to 2024). *Visiting Lecturer* in Department of Educational Psychology, School Psychology program (Sept. 2000 to 2019). *Affiliate Member* of University of Minnesota Graduate School (Dec. 2008 to 2014).

St. Cloud State University. St. Cloud, MN. *Professor in Department of Applied Psychology.* Primarily taught educational psychology courses (Sept. 1990 to 2000).

PROFESSIONAL EXPERIENCES *(select list)*

Intelligence and Individual Differences Theory & Test Development Consultant. Ayrton Senna Institute (Instituto Ayrton Senna), São Paulo, Brazil. Served as international consultant to large group assessment project: *Twenty-first century cognitive SKILLS: Measures of reasoning, knowledge, and creativity in large-scale assessment systems.* (2016-2017). External Research Consultant to Instituto Ayrton Senna-eduLab21 for project on developing a model of motivated self-regulated learning in the context of ASI's SENNA social-emotional skills project (August 2020 to current).

Intelligence Theory and Test Development Consultant. Dharma Bermakna Foundation, Indonesia. Served as intelligence theory and testing consultant to Dharma Bermakna Foundation and Universitas Gadjah Mada (UGM) for the development of the Indonesian AJT Cognitive Assessment Development Project. Primary duties included: (a) conducting training about the Cattell-Carroll-Horn (CHC) theory of intelligence, (b) serving as member of the AJT Cognitive Assessment Quality Assurance Project Team, (c) serving as member of AJT project Independent Review Panel, and (d) introducing "best practices" in psycho-educational assessment to AJT project staff (March, 2014 to July, 2017).

Test Development/Validation Expert. Invited participant /consultant for *Workshop on Measuring Critical Analytic Thinking skills for Intelligence Analysts*, Office of the Director of National Intelligence (ODNI), MITRE Corporation, McLean, Va. (December 2012).

Research Director. The Woodcock—Muñoz Foundation (WMF). Responsible for directing internal and external research projects for WMF, a private, non-profit operating foundation supporting the advancement of contemporary cognitive assessment. WMF engaged in programs of instructional support to professional preparation programs, research concerning the abilities of individuals with diagnosed exceptionalities, and closely related educational and research projects. (spring 2005 to spring 2015).

Associate Director: Measurement Learning Consultants (MLC). Provided statistical and measurement advice, as well as co-author test development duties (*Woodcock—Johnson Battery III and IV*) related to development of applied psychoeducational assessment instruments produced by Dr. Richard Woodcock's private research test development corporation (MLC). (April 2008 to spring 2015).

Measurement Consultant. Completed all measurement and statistical work for the first edition of the *Children's Psychological Processing Scale*, Schoolhouse Educational Services (2010-2011).

Intelligence Theory and Test Development Consultant. Served as intelligence theory and psychometric consultant to Psychological Assessments Australia on the adaptation and national norming of the *Woodcock-Johnson Battery III in Australia* (2007-2008).

Measurement Consultant. Full-time measurement and statistical consultant to Dr. Richard Woodcock (MLC: *Measurement Learning Consultants*) and *Riverside Publishing* for the revision/renorming of the *Woodcock-Johnson Psycho-Educational Battery-III (WJ-III)* (1996-2000; while on four-year leave from SCSU).

Professor. Department of Applied Psychology. St. Cloud State University, St. Cloud, MN (1990 to 2000). Primary duties included teaching educational psychology courses. Through a cooperative agreement with the University of Minnesota, 33%-66% release time to serve as a Senior Researcher and Management team member with the National Center on Educational Outcomes (NCEO) and a Research Associate with the Institute on Community Integration (1990 to 1996).

School Psychologist/Research Associate. 25% School Psychologist with *St. Cloud Community Schools* (ISD 742). 75% shared research/grant development position with St. Cloud Community Schools, University of Minnesota's Institute on Community Integration, and University of Minnesota's University Affiliated Program (1987 to 1990).

Research Fellow/Assistant. University of Minnesota, Minneapolis, MN (1985 to 1987).

School Psychologist/Child Study Coordinator. St. Cloud Community Schools (ISD 742), St. Cloud, MN (1977 to 1985). On leave of absence from 1985 to 1987.

School Psychologist. Area Education Agency 12, Onawa Service Center, Onawa, Iowa (1975 to 1977).

PROFESSIONAL AFFILIATIONS/JOURNAL BOARDS

Professional Affiliations

American Association on Intellectual and Developmental Disabilities (AAIDD)

- Member of AAIDD Advisory Committee for the 12th revision of the AAIDD terminology and classification manual, *Intellectual Disability: Definition, Diagnosis, Classification, and Systems of Support, 12th Edition* (September 2017 to October 2020)

American Psychological Association (APA)

- Division 5: Division for Quantitative and Qualitative Methods
- Division 16: School Psychology
- Division 33: Intellectual and Developmental Disabilities
- Division 41: American Psychology-Law Society

National Association of School Psychologists (NASP)

International Society of Intelligence Research (ISIR)

Professional Journal Review and Board Activity

Applied Psychological Measurement. Ad hoc reviewer (July-Aug 2010).

American Journal on Intellectual and Development Disabilities. Ad hoc reviewer (Dec 2009)

Baltic Journal of Psychology. Ad hoc reviewer (Sept 2009)

Intelligence. Ad hoc reviewer (February 2009 to 2022)

Intellectual and Developmental Disabilities. Ad hoc reviewer (September 2016)

Journal of Psychoeducational Assessment. Editorial advisory board member (January 1985 to 1998)

Journal of Psychopathology and Behavioral Assessment. Ad hoc reviewer (June 2016)

Learning and Individual Differences. Ad hoc reviewer (January-March 2015)

Psychology in the Schools. Co-guest editor, special issue on the Cattell-Horn-Carroll (CHC) theory and intellectual assessment (2008-2009)

School Psychology Quarterly. Ad hoc reviewer (January 1996 to 2004)

School Psychology Review. Editorial advisory board member (January 1988 to June 1990); Ad hoc reviewer (January 1996 to 2004).

ADVISORY BOARDS/SPECIAL CONSULTATIONS (*select list*)

Member of AAIDD Advisory Committee for the *Intellectual Disability: Definition, Diagnosis, Classification, and Systems of Support*, 12th Edition (Sept 2017 to October 2020).

Measurement consultant to University of Minnesota, Institute on Community Integration, federally funded *National Longitudinal Transition Study* (NLTS 2012).

Expert consultant or witness for various state and federal court cases about psychometric issues in the identification of individuals with intellectual disabilities related to federal *Atkins* intellectual disability (ID) death penalty habeas corpus cases (2009 to 2022).

Measurement and research consultant with the *National Center on Educational Outcomes* (NCEO), University of Minnesota (2002 to 2010).

Test Development Expert consultant for *National Accessible Reading Assessment Project* (NARAP), University of Minnesota (U of M/IAP subcontract; Fall 2004 to 2010).

Independent reviewer of pre-publication draft of *Mental retardation: Determining eligibility for Social Security benefits*. National Academy of Science, National Research Council (2002).

Consultant to *Riverside Publishing* on the revision plans for the *Standard-Binet Intelligence Scale* (5th Edition) (1996 to 2000).

Consultant to the *Psychological Corporation* for special analyses of the *Comprehensive Behavior Rating Scale for Children* norm data (1988-1989).

Consultant to *CTB/McGraw-Hill for the Tests of Cognitive Skills* (2nd Edition). Content review of items (1989).

Consultant to Dr. Richard Woodcock (*Measurement Learning Consultants*) and *Developmental Learning Materials (DLM)* on the revision of the *Woodcock-Johnson Psycho-Educational Battery (WJ-R, 1989)*. Calculated the norms, performed the statistical analyses, and coauthored the WJ-R technical manual (1986-1991).

Consultant to Dr. Richard Woodcock (*Measurement Learning Consultants*) for select data analyses for the *Woodcock Language Proficiency Batteries* (October 1983 to September 1984) and the *Woodcock Reading Mastery Test-Revised* (Summer, 1986).

Measurement and research consultant to the *Woodcock-Munoz Foundation* on grant proposals and measurement work for the *International Editions of the Woodcock-Johnson* assessment instruments (2002 to 2004).

Advisory Committee Member for the *National Center on Student Progress Monitoring (NCSPM)*, American Institutes for Research (AIR) (April 2004 to November 2008).

Invited participant and presenter at *U. S. Department of Education, Office of Special Education Programs (OSEP)* meetings on *Assessment and Students with Disabilities* (January 21, 2003) and *Alternative Assessments and Alternate Achievement Standards*, Washington, DC (July 24, 2003).

Measurement consultant to *Stanford Research Institute (SRI)* for the U. S. Department of Education, Office of Special Education Programs (OSEP) national *Special Education Elementary Longitudinal Study (SEELS)* (1999 to 2007). Member of SEELS Direct Assessment Work Group.

Member of the *Stanford Research Institute (SRI)* Technical Work Group and ongoing consultation for the U. S. Department of Education, Office of Special Education Programs (OSEP) *National Longitudinal Transition Study-2 (NLTS2)* (1999 to 2003).

Consultant and member of *Stanford Research Institute (SRI)* Resource Panel on Disability and Special Education for *NCES Early Childhood Longitudinal Study (ECLS)* (1997).

Consultant to the *National Academy of Education (NAE)* panel on the evaluation of the *National Assessment of Educational Assessment Program (NAEP) Trial State Assessment Project* on a special study on the exclusion of students with disabilities. March 14, 1994 and May 26, 1995, Washington, D.C.

Educational research and measurement consultant to *Interactive Metronome (IM)*, a privately held neurotechnology company. IM is a proprietary based neurotechnology developed to help children with learning and developmental disorders as well as to treat adult neuro-rehabilitation patients (2004 to 2007).

Evaluation consultant to *Sherburne and Northern Wright Special Education Cooperative*. Program evaluator for three-year project to evaluate the effectiveness of special education services (1994 to 1997).

Measurement consultant to *Rum River Special Education Cooperative* (MN) for two-year federally sponsored study to develop reading and writing norms for the *Minnesota Braille Skills Inventory* (MBSI) (1995-1997).

Measurement consultant to the *Rum River Special Education Cooperative* for the analysis of the *Braille Assessment Inventory* (BAI) (1994).

AWARDS/RECOGNITIONS

Richard W. Woodcock Award for Innovations in Ability Testing, Research, and Scholarship (January 2025)

Alan S. Kaufman Excellence in Assessment Award (2023). Gonzaga University.

Distinguished Alumni Award (2016). University of Minnesota College of Education and Human Development.

Distinguished Alumni Award (2016). Minnesota State University—Moorhead, Psychology Department, September 17, 2010. First award presented by the MSUM Psychology department.

Lifetime Achievement Award (2014-2015). Minnesota Association of School Psychologists (MSPA).

Lifetime Achievement Award (2015). KIDS, Inc., School neuropsychology training and resources.

Outstanding Faculty Award (1991). St. Cloud State University.

Recognition as “top contributor” to school psychology literature (1987-1995). Ranked as the 17th top contributor to all school psychology literature from 1987-1995. Tied for 2nd place for assessment-related articles. [Little, S. (1997). Graduate education of the top contributors to the school psychology literature. 1987-1995. *School Psychology International*, 18, 15-27.]

GRANTS

Measurement consultant to University of Minnesota, Institute on Community Integration, federally funded (Institute of Education Sciences, U. S. Dept. of Education; U of M ICI subcontractor to Mathematic Policy Research) *National Longitudinal Transition Study* (NLTS 2012). (April 2011).

Helped in writing a proposal that resulted in the *University of Minnesota* being awarded the *Rehabilitation and Research Training Center on Persons with Mental Retardation* (RRTC) from NIDRR. Through a cooperative agreement served as *Research Associate* for five-year grant (October 1993 to October 1998).

Helped in the writing of a cooperative grant proposal that resulted in the *University of Minnesota and St. Cloud State University* being awarded a grant for *Research on the Self-Determination of Individuals with Disabilities* from OSERS (Department of Education). Through a cooperative agreement served as *Co-Principal Investigator* for this two-year grant (October 1992 to October 1994).

Helped in the writing of a proposal that resulted in the *University of Minnesota* being awarded the *National Transition Study on Individuals with Severe Disabilities* (NTTSD) from OSERS/NIDRR. Through a cooperative agreement with *St. Cloud State University* served as data analyst for this three-year grant (October 1991 to October 1994).

Helped in the writing of the original proposal, and later renewal proposal, that resulted in the *University of Minnesota* being awarded the *National Center on Educational Outcomes* (NCEO) for students and youth with disabilities from the Office of Special Education Programs, U.S. Department of

Education. Through a cooperative agreement with *St. Cloud State University*, served as a member of the NCEO *Senior Research and Management* team (October 1990 to 1996).

Primary author and *Project Evaluation/Assessment Specialist* for the *Families Involved School and Children* (FISC), a three-year federal award (US Education Office of Special Education and Rehabilitative Services). A joint research and demonstration project between the *St. Cloud Community Schools* and the *University of Minnesota's Institute on Community Integration* (October 1988 to October 1991).

Primary author, Project Director and Evaluator of *A Cooperative and Coordinated Mainstream-based Service Delivery System for Mildly Handicapped Students*-A one year (Fall, 1988 - Spring, 1989) *Minnesota State Department of Education Effectiveness Grant* awarded to the *St. Cloud Community Schools*.
