

Principal Components Analysis of Joint WJ III and WISC-III Composite (“Part”) Scores (McGrew, 2002)

Phelps WJ III Technical Manual
Validity sample – n=150 grade 3-5

Both the WJ III and WISC III have two composite scores in the high *g* category

Note that WJ III *Gl*r and *Gsm* cluster are equal to or higher than the WISC III POI, a “part” score frequently used as an estimate of intelligence when the validity of the Wechsler Full Scale IQ is questioned.
